

STRATFORD-UPON-AVON TOWN COUNCIL
COMMUNITY SERVICES COMMITTEE MEETING

20 February 2024

TOWN CLERK'S OPEN REPORT

1. To receive and consider additional information supplied by Stratford in Bloom in support of their Initiatives application

Further additional information has been provided by Stratford in Bloom in support of their Initiatives application previously supplied to the Town Council, in order to understand ways the organisation raises funds for income before a final decision is made on contributing to their original application for funding (Appendix B).

2. To receive and consider a request from residents to transform a disused phone box into a Community Swop Station

Cllr J Fradgely will provide further information on what is required for this community venture. Photograph attached for identification and location, Shipston Road (Appendix C).

3. To consider requests received regarding the provision of bins on the new Bishopton housing development

Requests have been made from residents regarding bin provision on new housing developments but particularly Bishopton Housing Development. Cllr Alcock has also been in touch regarding bins. The requests from the residents, were forwarded to Cllrs Alcock and Harding for them to review the area and report back or to contact the residents direct.

At a Community Services Committee Meeting held on 25 October 2022 the following was minuted at point 28:

28) Dog Waste Bin Requests

Two requests were noted. Councillors discussed the issue of dog waste bins and should this be a condition put on developers of new build estates. Should it be part of future planning applications, developers should be responsible for bin installation and then the District Council take on responsibility for maintenance. The Town Clerk and Councillor Rolfe undertook to liaise with the District Council on this matter.

The Mayor, Cllr Rolfe will provide a verbal update on this matter at the meeting.

Caroline Nash
Town Clerk
