Peter Sargant

Stratford/Leamington Lines May 2023

- Major recast planned for Snow Hill Lines
- Moving to a 30 minute pattern for WMR and Chiltern Railways – better spacing for Solihull
- Improved performance through longer turnrounds and station dwells
- Removes large 40 minute gaps in current service
- Small Heath and Tyseley increase to 3 trains per hour
- Lapworth has hourly calls in Birmingham – Dorridge – Stratford services
- All Chiltern services call at Warwick
- Peak service broadly similar to off-peak with longer trains
- Stratford line request stops becoming full calls
- **Study being commissioned into future options for Stratford-Leamington route**
