

STRATFORD-UPON-AVON TOWN COUNCIL
COMMUNITY SERVICES & ENVIRONMENT COMMITTEE MEETING

17 February 2026

TOWN CLERK'S OPEN REPORT

COMMUNITY SERVICES

1. To consider a request for litter bins on Station Approach, Stratford Town Railway Station

A request has been received from Councillor Grocott of Stratford-on-Avon District Council (SDC) for the installation of litter bins on lamp posts along Station Approach, at Stratford Town railway station. Warwickshire County Council (WCC) would be happy for these bins to be attached to the lamp posts in this area.

Councillor Grocott has been working with WCC officers to clear and landscape the open space beside the walkway at Station Approach, to improve its appearance as a gateway for visitors.

Residents of Rosalind Court have raised concerns regarding litter from station users and nearby students. To help address this issue, the Council has been asked to install litter bins on lamp posts along Station Approach to discourage further littering.

The proposal is for the provision of two litter bins, to be mounted on existing lamp posts. The proposed locations are indicated on the map (Appendix A) and are marked by red dots. A link to the style of bin is shown below – bins are requested to be black in colour.

Approximate costs would be £144.13 + VAT to install a bin with lid, £172.57 per annum to empty a bin.
