Please be aware that it is a statutory requirement for the Town Council to hold an Annual Town Meeting. It provides an opportunity for the electorate to air their views and concerns regarding matters of a parochial nature which will be noted by the Town Council. All items raised must relate to public matters in the town and no private matters can be discussed. No decisions or resolutions passed would be binding by law as it is not a Town Council Meeting (except a resolution by electors at a well-attended meeting to provide allotments).

There is also an opportunity for the public to address Council during the period set aside for Public Participation at the start of every Town Council Meeting and Committee Meeting.

The Mayor, as Chair of this meeting, determines whether a matter may be discussed and their decision is final.
